Cool Florida Shells! Poster

With concept and design by BMNSM Science Director and Curator Dr. José Leal, this 18" w x 24" h poster was released in 2022 and is a beautiful illustrated guide to over 50 of the best-loved and most interesting shells of the Gulf region.

Available to new or renewing Lion's Paw Members.

Custom-designed BMNSM baseball hat

Precise illustrations of shells adorn these previously unreleased hats from BMNSM. The back includes the Museum's name.

Available to new or renewing Junonia and Angel Wing Members.

Print from *Blackwater Moments: Nocturnal Photographs of Open-Ocean Mollusks*

This popular special exhibition of 2021-2022 featured underwater photographs by Linda Ianiello and Susan Mears, taken at night and at depths of up to 50 feet in the Gulf Stream of the Atlantic Ocean. The open-ocean mollusks photographed include several unknown species. 24" w x 18" h metal print images of over 30 different species were included in the exhibition.

Available to new or renewing Friends of the Living Gallery Members.
